EMPLOYER REPORTING DETAIL LOOKUP

School Employees Retirement System of Ohio
Serving the People Who Serve Our Schools®

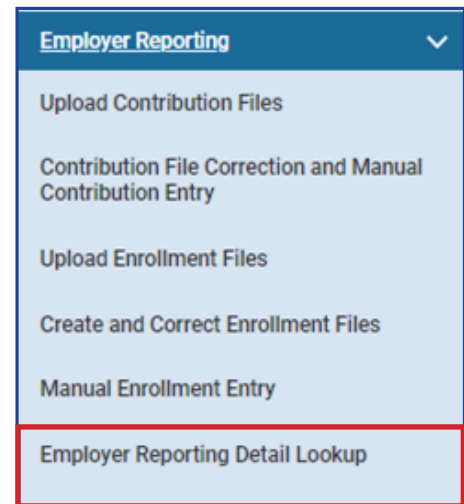

Employer Reporting Detail Lookup

Once a file (Enrollment, Contribution, or Adjustment) has been successfully processed and posted, the system will create detail records to reflect the information within

eSERS. To see these created records, go to the **Employer Reporting Detail Lookup** menu item.

The information that was reported in the upgraded system will display; nothing prior to February 2017 will appear.

Files can be searched multiple ways in order to bring up specific information regarding an employee or file. For example, a user can search for an employee by name, SSN, or file on which the employee's contribution was reported. You can also search by dates, the type of file (enrollment, contribution) and Unique ID.
