## Salary Estimates Now Open on eSERS

School Employees Retirement System of Ohio

April 18, 2022

### Attention: Salary Estimates are now open on eSERS

As a Foundation-participating district, now is the time to enter your salary estimates for the 2023 fiscal year.

Enter the new amount in the Salary Estimate application on eSERS **by May 20, 2022**.

If SERS does not receive a salary estimate for your district, Employer Services will add 3% to the previous year's estimate.

Please enter a salary estimate even if you are in the middle of contract negotiations or unsure of what it will be for the upcoming year.

**Remember, this is just an estimate.**

If your monthly Foundation deductions need to be adjusted later, please contact us, and we will explain how to make that change.

Foundation Deduction letters will be available on May 23, 2022, on eSERS.
