2. Show the cashier your digital barcode for faster check out.

3. After every order, you can check your remaining balance and additional FAQs.

Here are three convenient ways to place an order

Choose the way that works best for you

1. In store

You can get your OTC items at any CVS Pharmacy®, Navarro®, or CVS Pharmacy y más® stores. This excludes CVS Pharmacy locations inside Target or Schnucks stores and select other CVS Pharmacy locations. To find your nearest location, go to [CVS.com/storelocator](https://www.cvs.com/storelocator).†

How to use your OTC Health Solutions® benefits in store:

1. Refer to your OTC catalog to identify items in the catalog you want to purchase. Only the items listed in your catalog are available through your plan.
2. Go to any CVS Pharmacy®, CVS Pharmacy y más® or Navarro® store.†
3. You can find eligible products in the dedicated OTCHS section (if available) or on shelves throughout the store. To identify covered items, look for OTC items with the blue shelf tags and match the SKU number to items in your catalog.
Note: In-store prices may vary from those in this catalog. However, the prices in the catalog are what will be deducted from your benefit.
4. You can redeem your benefit at any register. To check out, tell the cashier you have an OTC benefit. Then show your member ID card or another valid ID to the cashier before they scan products. Your member ID card is used to verify eligibility and how much of your quarterly allowance is available, not as a payment.

†These pharmacies will be a provider in our Medicare advantage network in 2024. They may also contract with other plans. IMPORTANT: To find your nearest location, go to [CVS.com/storelocator](https://www.cvs.com/storelocator) or contact OTCHS at 1-833-331-1573 (TTY: 711).

How to identify eligible items in store

Visit your nearest CVS Pharmacy store.

Find approved items available through your plan's OTC catalog.

Look for the blue labels containing the OTCH indicator, SKU number or by scanning with the OTCHS app to confirm item eligibility.

Go to any register to process your order.

Look for "OTCH" followed by the six-digit SKU number and match it to your plan catalog.

2. Online

The fastest, easiest and most convenient way to order 24/7 is to visit CVS.com/otchs/myorder.

How to place an order online:

1. Create an account

- If it's your first time placing an order online, you will need to create an account by visiting CVS.com/otchs/myorder.
 - Choose the “Create Account” button and follow the instructions.
 - You will need your **member ID, date of birth, ZIP code and current email address**. (Each member registering needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to register one account.)
 - You will also need to create a password.
- If you need help locating your member ID, select “Get help locating your member ID.”
- Remember to save your password for future orders. (You'll need your member ID or email address along with your password to sign in again.)
- If you forget your password, choose the “Forgot Password?” button to create a new one.

2. Place an order

- Once you sign in, your benefit amount and balance will be displayed on the page. Select the benefit you would like to shop for.
- You can browse through the available products and add to your basket. Your order total will automatically deduct from your balance at the top of the page.
- Once you are ready to place your order, choose “Checkout.”
- On the Checkout page, confirm the shipping address displayed is correct by selecting the disclaimer. Then, review and place your order. It will arrive within 14 days.
- You will receive an email with tracking information once your order has shipped. You'll receive another email once your order has been delivered.
- You'll want to review the order frequency limits located on the FAQs to avoid missing benefit funds.

3. Phone

You can place an order by calling 1-833-331-1573 (TTY: 711). Call Monday – Friday, 9 AM – 8 PM local time (except Hawaii), and speak to a live agent. You can also order 24/7 via our automated interactive voice response (IVR) system. Please have your member ID number and order ready when placing your order by phone.

How to place an order by phone (IVR system):

- 1 Call OTCHS at 1-833-331-1573 (TTY: 711).
- 2 Once the system locates your account, you will be asked to input your date of birth in MMDD format.
- 3 The system will verify the name and address on the account.
- 4 You need to select the numerical portion of the item code.

Example: If you would like to order item “A10 Adult Care Wipes,” you will select “10” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct. Please allow the system to complete the statement before making your selection.

- If yes, the system will add the item to your cart.
- If no, the system will provide an option to edit the product or the quantity.

5. Once the order is completed, you can choose to review the items in the cart or submit the order.

- If you submit the order without review, the system will provide a confirmation number and the call will disconnect.
- If you want to review your order, the system will let you edit the items, start over, submit the order or speak with a representative.

Note: If you choose to speak to a representative, your items will not be saved. You will have to restart your order.

- Through the IVR system, you will also be able to track your order.

Please note:

- There is no quantity limit per any single item, with some exceptions. Blood pressure monitors and select other items may be limited per benefit period (each time the new benefit amount renews). We reserve the right to limit the number of certain items as needed.
- Online orders must be submitted by 11:59 PM local time (except Hawaii) to be acknowledged and processed as an order for that day.
- Orders will be shipped to your home at no extra charge. Please allow 14 days for delivery.
- **Return policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions®, within 30 days after receiving your order. We will ship a replacement for the same item.
 - If your item is not in stock, an item of similar or greater value may be substituted.

Important information to remember:

- Products in this catalog may be ordered only for the enrolled member.
- The price of an item may not exceed your benefit amount.
- Reimbursements are not allowed for this benefit. Items purchased outside of the benefit are not covered or reimbursable.
- All applicable OTC benefit limits apply to all channels including in-store/retail transactions at participating store locations.
- A member cannot mail in their OTC order request to Member Services.

If you have not received your order within 14 days after ordering or you would like to place an order by phone, just call 1-833-331-1573 (TTY: 711).

We experience high call volumes the first and last weeks of the month. You can place your OTCHS order anytime during the quarter. Monday – Friday, 9 AM – 8 PM local time (except Hawaii).

Not all items are available in all stores. If your item is not available, please contact OTCHS or visit [CVS.com/otchs/myorder](https://www.cvs.com/otchs/myorder) to process your order.

If a product goes out of stock after you order it, we'll put it on backorder. We'll ship it to you as soon as it becomes available.

- You'll receive an email advising the product is delayed.
- If your items are shipped and there are some missing items, the packing slip will show those missing items.
- You can call OTC Health Solutions for the status or to request a replacement order.
- If the product is out of stock when you try to place an order, you won't be able to order it.
- This applies to phone and online orders.

Any items marked with a “*” will be available for home delivery only.

Frequently Asked Questions (FAQs)

What is the over-the-counter (OTC) benefit?

The OTC benefit offers you a way to get select over-the-counter health and wellness products. You order from a list of eligible OTC items in the catalog. Then, OTC Health Solutions® (OTCHS) will mail them directly to your home address or P.O. Box. You can also go to any CVS Pharmacy® store to use your benefit* except CVS Pharmacy locations inside Target or Schnucks stores.

How do I use the OTC benefit?

1. At CVS Pharmacy® locations

You can pick up your OTC items at any CVS® stores with the exception of CVS pharmacy inside Target and Schnucks stores. To find your nearest location, go to [CVS.com/storelocator](https://www.cvs.com/storelocator).

2. Online

The fastest and easiest way to order 24/7 is to visit [CVS.com/otchs/myorder](https://www.cvs.com/otchs/myorder). Online orders must be submitted by 11:59 PM ET to be placed for that day.

3 Phone

Call **1-833-331-1573 (TTY: 711)** to place your order. You can order 24/7 via our interactive voice response (IVR) system or speak to a live agent from 9 AM–8 PM, local time (except Hawaii) Monday–Friday.

I need my member ID to place an order. Where can I find it?

You can find it on your health plan ID card.

Will I receive an OTC card for this benefit?

No, you will not receive an OTC card and/or vouchers. OTCHS tracks your benefits. You can get information about your balance and more via phone by calling **1-833-331-1573 (TTY: 711)**. Or online by visiting [CVS.com/otchs/myorder](https://www.cvs.com/otchs/myorder).

Will my benefit change in 2024?

Your benefit amount may have changed depending on your plan. Check your plan documents or call OTCHS at **1-833-331-1573 (TTY: 711)** to find out about your amount.

How much is my OTC benefit?

The amount depends on your benefit plan. Check your plan documents or call OTCHS at **1-833-331-1573 (TTY: 711)**.

How many orders can I place?

You can place as many orders per quarter up to the benefit allowance.

Can I carry over unused benefit amounts to the next benefit period?

Unused quarterly benefit amounts do not roll over to the next quarter. The quarterly benefit is based on a calendar year quarter: January–March, April–June, July–September and October–December.

How long will it take to receive my order?

You will receive your order in about 14 days.

Is there a return policy?

Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a damaged or incorrect item, please call OTCHS at **1-833-331-1573 (TTY: 711)** within 30 days after receiving your order. We will ship you a replacement item. No other returns or exchanges are allowed.

What happens if an item I ordered or an item I want is out of stock?

- If the item is out of stock when you try to place an order, you won't be able to order it.
- If an item goes out of stock after you order it, we'll put it on backorder and ship it to you as soon as it becomes available.
- If you have an email associated with your OTC account, you'll receive an email advising the product is delayed.
- If your items are shipped and there are some missing items, the packing slip will show those missing items.
- You can call OTCHS Member Services at **1-833-331-1573 (TTY: 711)** for the status or to request a replacement order.

This applies to phone and online orders.

While in store, can I obtain items that are not in the catalog but are similar to the items in the catalog?

You can only obtain eligible items listed in the approved OTC catalog. The item code and SKU number must match for the item to be covered under the OTC benefit.

Can I cancel my order once it has been placed?

You can only cancel orders within 30 minutes after being placed online or over the phone.

How do I confirm my order was placed?

Once the order has been completed, you'll receive a confirmation number. Always make sure to receive and keep your confirmation number.

Can I track my order?

You can opt in to receive tracking information via email or text. Simply advise an OTCHS agent when placing your order. If you order online, you will automatically be set up to receive tracking information.

How can I get another copy of the catalog?

You'll receive a digital version of the catalog with every tracking email/text. You can also contact Aetna® Member Services at the number on your ID card to request a printed copy.

Where can I get more information about the products?

The catalog includes SKU numbers. You can use them at [CVS.com](https://www.cvs.com) to search for product images and get more information such as ingredients.

How will the items be shipped?

Items are shipped via UPS to your home or P.O. Box at no added charge to you. Please allow about 14 days for delivery.

Who can I call if I have questions?

You may call OTCHS at **1-833-331-1573 (TTY: 711)** from 9 AM–8 PM, local time (except Hawaii) Monday–Friday.
