# SERS MARKETPLACE WRAPAROUND HRA

SERS has partnered with UMR to offer a Health Reimbursement Arrangement (HRA) option for SERS' health care participants who are not eligible for Medicare and who are not enrolled in Medicaid.

## How It Works

First, you select a health care plan from the Health Insurance Marketplace with the assistance of a counselor from our partner, UMR. The counselor will tell you whether you are eligible for a federal subsidy to help pay your premium.

You can choose a plan from any insurer offering coverage in the Marketplace. You are responsible for paying premiums directly to the Marketplace plan selected.

The SERS Marketplace Wraparound HRA will provide additional reimbursements for deductibles, co-pays, and other costs. There is no additional premium for the SERS Marketplace Wraparound HRA.

**To receive the SERS Marketplace Wraparound HRA, you MUST complete the Marketplace enrollment process through UMR. To get started, call 1-888-236-2377 or email [SERSCS@UMR.com](mailto:SERSCS@UMR.com)**
