## Summer School in Session: Employer 101 Workshops

This summer, Employer Outreach will be hosting a number of statewide workshops to help employers better understand their roles and responsibilities for their SERS-related duties.

These half-day workshops will cover important topics, including membership, surcharge, contribution reporting, payment procedures, and certifications.

Along with a workbook, attendees will receive personalized instruction from the Employer Outreach Team.

The registration fee for the workshop is \$10.

Workshops will be held from 9 a.m. - noon. Registration will begin at 8:30 a.m. with a continental breakfast.

Advanced registration is required because space is limited. Please register at least two weeks in advance of your desired workshop date to ensure your spot.
