Employer 101 Workshops

This summer, Employer Outreach will be hosting a number of statewide workshops to help employers better understand their roles and responsibilities for their SERS-related duties.

These half-day workshops will cover important topics, including membership, surcharge, contribution reporting, payment procedures, and certifications.

Along with a workbook, attendees will receive personalized instruction from the Employer Outreach Team.

**Please Note:
This is not the
mandatory
eSERS upgrade
training.**

The registration fee for the workshop is \$20.

Workshops will be held from 9 a.m. - noon. Registration will begin at 8:30 a.m. with a continental breakfast.

Advanced registration is required because space is limited. Please register at least two weeks in advance of your desired workshop date to ensure your spot.

If you have questions, call Employer Services toll-free at 877-213-0861 or email us at employerservices@ohsers.org.
