eSERS Now Open for Salary Estimates

Since you are a Foundation-participating district, now is the time to enter your salary estimates for fiscal year 2018.

If SERS does not receive an estimate for your district, Employer Services will add 3% to the previous year's salary estimate.

Please enter a salary estimate even if you are in the middle of contract negotiations or unsure of what your salary will be for the upcoming year. If you find that your monthly Foundation deductions need to be adjusted later, please contact us, and we will explain how to make a change.

Remember, this is just an estimate.

All Foundation-participating districts have until May 24 to submit a new salary estimate.
