

EMPLOYER SERVICES FACT SHEET

Contributing Service Credit

An employee receives contributing service credit for time worked at a school, college, or university.

One year of service credit is granted upon completion of 120 or more days of paid school employment within a fiscal year. There is no distinction between full-time, part-time, or substitute positions in granting this service credit.

Paid days that are used, such as sick and vacation, count toward the 120 days. If an employee works less than 120 days, the employee will receive a fractional amount of service credit prorated on the basis of a 180-day school year with the result shown in the following chart:
