COVID-19 RELATED
WITHDRAWAL NOTICE

The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, signed into law on March 27, 2020, changed the taxation of certain retirement account withdrawals.

Normally, if you elect to refund your account with SERS, 20% federal income tax is withheld unless the payment is rolled over to an eligible plan. In addition, if you are under age 59 ½, your refund is also subject to an early withdrawal tax penalty of 10%.

The CARES Act permits qualified individuals to elect special tax treatment for a refund, including waiver of the early withdrawal penalty on up to $100,000 in 2020.

As defined by law, “qualified individuals” are those:

1. Who are diagnosed with the virus SARS-CoV-2 or with coronavirus disease 2019 (COVID-19) by a test approved by the Centers for Disease Control and Prevention,

2. Whose spouse or dependent are diagnosed with such virus or disease, or

3. Who experiences adverse financial consequences as a result of being quarantined, being furloughed or laid off or having work hours reduced due to such virus or disease, being unable to work due to lack of child care due to such virus or disease, closing or reducing hours of a business owned or operated by the individual due to such virus or disease, or other factors as determined by the Secretary of the Treasury.

If you are a qualified individual and elect this special tax treatment, the following will apply to your refund:

- You can elect to have no taxes withheld, 10%, or 20% withheld.
- Your refund will not be subject to the additional 10% early withdrawal penalty. Please note if your refund is over $100,000 and you are under age 59½, any amount over $100,000 is subject to the early withdrawal penalty of 10%.
- You cannot receive a direct rollover of these funds to an IRA or employer plan.

Consult your tax advisor to determine how this could affect your income tax return.

The CARES Act does not change SERS’ requirements for refunding your account. This means:

- No hardship withdrawals, loans, or partial refunds are available.
- You must terminate employment in your SERS-covered position.
- You must wait three months from the last date of service in your SERS-covered position to receive your refund.

If you are requesting a COVID-19 related refund, please complete the enclosed COVID-19 certification and tax withholding form, as well as the refund application.

REF-7002 Rev. 4/2020
Applying for a Refund

Am I eligible?
You may receive a refund of your SERS accumulated contributions if you have terminated your SERS-covered position, and at least three months have passed since your last date of service. If you apply for a refund and return to work in a SERS-covered position within that three-month period, your refund application will be cancelled.

What happens to my account?
If you withdraw your SERS account, your SERS membership and all service credit earned under your SERS-covered position will be cancelled, as well as any rights to SERS' retirement, disability, and survivor protections.

If you would like to receive an estimate of your service, disability, or survivor benefit, please contact our office or create an online account on our secure website at www.ohsers.org.

Can I take a partial refund or borrow from my account?
No. Your SERS accumulated contributions are paid out in full upon refunding.

Can I rollover my refund payment?
Yes. If you want to rollover all or a portion of your refund to an IRA or eligible retirement plan, please complete the rollover section of this form.

Can I have my refund directly deposited into my bank account?
No. SERS does not currently provide this service. SERS will mail the check directly to you. If you choose a direct rollover, your refund check will be mailed to your financial institution.

When will SERS mail my refund payment?
By law, SERS cannot issue your payment before three months have elapsed from the date of your last SERS-covered service. If SERS receives your refund application after three months have passed, SERS will process your refund within two to four weeks.

Your refund will be sent to the address shown on this application. You must notify SERS in writing if your address changes.

What If I’m a member of STRS or OPERS?
You can refund your SERS account without affecting your membership or rights to a benefit or refund of contributions under State Teachers Retirement System of Ohio (STRS) or Ohio Public Employees Retirement System (OPERS). However, you will not have the option to combine this service credit with any service earned in a STRS- or OPERS-covered position. This could affect your retirement benefits. You should contact OPERS or STRS to discuss how this will affect your eligibility.

If your current STRS or OPERS employer is the same one you worked for in your previous SERS-covered position, you cannot refund your SERS account.
Does my spouse need to sign a consent form?

If you meet the eligibility requirements to retire on or before the first of the month following the date your application is received by SERS, your spouse must sign a consent form in the presence of a notary public or SERS counselor. A spousal consent form will be mailed to you upon receipt of the completed application, if applicable. If your spouse does not consent, SERS cannot refund your account.

What if I return to public employment after receiving a refund?

You may restore your membership by returning for at least 18 months to public employment covered by SERS, STRS, OPERS, the Ohio Police & Fire Pension Fund, or the State Highway Patrol Retirement System, and re-depositing the amount of your refunded account plus interest which will be calculated by SERS.

Are there any tax issues I should consider?

Yes. If the total amount of the refund includes a taxable portion, SERS is required to withhold 20% of the taxable amount as federal income tax withholding. You may be able to defer federal taxation by making an eligible rollover.

You should read the enclosed Special Tax Notice before making a decision on how you wish to direct your refund payment.

Under federal tax law, neither a payment nor a direct rollover can be made by SERS until at least 30 days after you receive the Special Tax Notice. Thus, after receiving this notice, you have at least 30 days to consider whether or not to have your refund directly rolled over. If you do not wish to wait until this 30-day notice period ends before your election is processed, you may waive the 30-day period by signing and returning your application and indicating whether or not you wish to make a direct rollover. Your refund will then be processed in accordance with your election and Ohio law.

Was your last service with this employer as a public safety employee (ex.: Police or School Resource Officer)? 

Are you currently working under a STRS or OPERS employer that is the same employer you worked for in your previous SERS-covered position? 

C. ROLLOVER REQUEST

If the total amount of the refund includes a taxable portion, SERS is required to withhold 20% of the taxable amount as federal income tax withholding. You may be able to continue to defer federal taxation by making an eligible rollover.

If you want to rollover all or a portion of your refund to an IRA or eligible retirement plan, you and your financial institution must complete the enclosed Direct Rollover Distribution form. Carefully review the enclosed Special Tax Notice to understand this option which may allow you to continue to defer taxes on your payment.

If SERS does not receive valid rollover instructions within 30 days, the refund will be issued directly to you and 20% of the taxable amount will be withheld.

Are you rolling over all or a portion of your refund? 

If yes, you must also complete the enclosed Direct Rollover Distribution form.

SPECIAL TAX NOTICE

YOUR ROLLOVER OPTIONS REGARDING YOUR SERS LUMP SUM PAYMENT

You are receiving this notice because all or a portion of a payment you are receiving from SERS is eligible to be rolled over to an IRA or an employer plan. This notice is intended to help you decide whether to do such a rollover.

Rollover rules that apply to most payments from SERS are described in the “General Information About Rollovers” section. Special rules that only apply in certain circumstances are described in the “Special Rules and Options” section.

GENERAL INFORMATION ABOUT ROLLOVERS

How can a rollover affect my taxes?

You will be taxed on a payment from SERS if you do not roll it over. If you are under age 59½ and do not do a rollover, you will also have to pay a 10% additional income tax on early distributions (generally, distributions made before age 59½), unless an exception applies. However, if you do a rollover, you will not have to pay tax until you receive payments later and the 10% additional income tax will not apply if those payments are made after you are age 59½, or if an exception applies.

What types of retirement accounts and plans may accept my rollover?

You may roll over the payment to either an IRA (an individual retirement account or individual retirement annuity) or an employer plan (a tax-qualified plan, section 403(b) plan, or governmental section 457(b) plan) that will accept the rollover. The rules of the IRA or employer plan that holds the rollover will determine your investment options, fees, and rights to payment from the IRA or employer plan. Further, the amount rolled over will become subject to the tax rules that apply to the IRA or employer plan.

How do I do a rollover?

There are two ways to do a rollover. You can do either a direct rollover or a 60-day rollover.

If you do a direct rollover, SERS will make the payment directly to your IRA or an employer plan. You should contact the IRA sponsor or the administrator of the employer plan for information on how to do a direct rollover.

If you do not do a direct rollover, you may still do a rollover by making a deposit into an IRA or eligible employer plan that will accept it. Generally, you will have 60 days after you receive the payment to make the deposit. If you do not do a direct rollover, SERS is required to withhold 20% of the payment for federal income taxes. This means that, in order to roll over the entire payment in a 60-day rollover, you must use other funds to make up for the 20% withheld. If you do not roll over the entire amount of the payment, the portion not rolled over will be taxed and will be subject to the 10% additional income tax on early distributions if you are under age 59½, unless an exception applies.

How much may I roll over?

If you wish to do a rollover, you may roll over all or part of the amount eligible for rollover. Any payment from SERS is eligible for rollover, except:

- Certain payments spread over a period of at least 10 years or over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary);
- Required minimum distributions after age 70½, or after death; and
- Corrective distributions of contributions that exceed tax law limitations.

SERS will tell you what portion of a payment is eligible for rollover.

If I don’t do a rollover, will I have to pay the 10% additional income tax on early distributions?

If you are under age 59½, you will have to pay the 10% additional income tax on early distributions for any payment from SERS, including amounts withheld for income tax, that you do not roll over, unless one of the exceptions listed below applies. This tax applies to the part of the distribution that you must include in income and is in addition to the regular income tax on the payment not rolled over.

REF-0001 Rev. 10/2018
The 10% additional income tax does not apply to the following payments from SERS:

- Payments made after you separate from service if you will be at least age 55 in the year of the separation;
- Payments that start after you separate from service if paid at least annually in equal or close to equal amounts over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary);
- Payments made after you separate from service if you are a public safety employee and you are at least age 50 in the year of the separation;
- Payments after your death;
- Corrective distributions of contributions that exceed tax law limitations;
- Payments made directly to the government to satisfy a federal tax levy;
- Payments made under a division of property order (DOPO); and
- Payments for certain distributions relating to certain federally declared disasters.

There are other circumstances when the 10% additional income tax may not apply. You should consult a professional tax advisor or the IRS for additional information.

If I do a rollover to an IRA, will the 10% additional income tax apply to early distributions from the IRA?

If you receive a payment from an IRA when you are under age 59½, you will have to pay the 10% additional income tax on early distributions on the part of the distribution that you must include in income, unless an exception applies. In general, the exceptions to the 10% additional income tax for early distributions from an IRA are the same as the exceptions listed above for early distributions from a plan. However, there are a few differences for payments from an IRA, including:

- The exception for payments made after you separate from service if you will be at least age 55 in the year of the separation (or age 50 for qualified public safety employees) does not apply.
- The exception for division of property orders does not apply (although a special rule applies under which, as part of a divorce or separation agreement, a tax-free transfer may be made directly to an IRA of a spouse or former spouse).
- The exception for payments made at least annually in equal or close to equal amounts over a specified period applies without regard to whether you have had a separation from service.
- There are additional exceptions for (1) payments for qualified higher education expenses, (2) payments up to $10,000 used in a qualified first-time home purchase, and (3) payments after you have received unemployment compensation for 12 consecutive weeks (or would have been eligible to receive unemployment compensation but for self-employed status).

Will I owe state income taxes?

This notice does not describe any state or local income tax rules, including withholding rules.

SPECIAL RULES AND OPTIONS

If your payment includes after-tax contributions

After-tax contributions included in a payment are not taxed. If a payment is only part of your benefit, an allocable portion of your after-tax contributions is generally included in the payment, so you cannot take a payment of only after-tax contributions.

You may roll over to an IRA a payment that includes after-tax contributions through either a direct rollover or a 60-day rollover. You must keep track of the total amount of the after-tax contributions in all of your IRAs (in order to determine your taxable income for later payments from the IRAs). If you do a direct rollover of only a portion of the amount paid from SERS and a portion is paid to you, the portion directly rolled over consists first of the amount that would be taxable if not rolled over. For example, assume you are receiving a distribution of $12,000, of which $2,000 is after-tax contributions. In this case, if you directly roll over $10,000 to an IRA that is not a Roth IRA, no amount is taxable because the $2,000 amount not directly rolled over is treated as being after-tax contributions. If you do a direct rollover of the entire amount paid from the Plan to two or more destinations at the same time, you can choose which destination receives the after-tax contributions.

If you do a 60-day rollover to an IRA of only a portion of the payment made to you, the after-tax contributions are treated as rolled over.
If you receive a payment from SERS as the surviving spouse of a deceased participant, you have the same rollover options that the participant would have had, as described elsewhere in this notice. In addition, if you choose to do a rollover to an IRA, you may treat the IRA as your own or as an inherited IRA.

An IRA you treat as your own is treated like any other IRA of yours, so that payments made to you before you are age 59½ will be subject to the 10% additional income tax on early distributions (unless an exception applies) and required minimum distributions from your IRA do not have to start until after you are age 70½.
If you treat the IRA as an inherited IRA, payments from the IRA will not be subject to the 10% additional income tax on early distributions. However, if the participant had started taking required minimum distributions, you will have to receive required minimum distributions from the inherited IRA. If the participant had not started taking required minimum distributions from SERS, you will not have to start receiving required minimum distributions from the inherited IRA until the year the participant would have been age 70½.

If you are a surviving beneficiary other than a spouse

If you receive a payment from SERS because of the participant’s death and you are a designated beneficiary other than a surviving spouse, the only rollover option you have is to do a direct rollover to an inherited IRA. Payments from the inherited IRA will not be subject to the 10% additional income tax on early distributions. You must receive required minimum distributions from the inherited IRA.

Payments under a division of property order

If you are the spouse or former spouse of the participant who receives a payment from SERS under a division of property order (DOPO), you generally have the same options the participant would have (for example, you may roll over the payment to your own IRA or an eligible employer plan that will accept it). Payments under the DOPO will not be subject to the 10% additional income tax on early distributions.

If you are a nonresident alien

If you are a nonresident alien and you do not do a direct rollover to a U.S. IRA or U.S. employer plan, instead of withholding 20%, SERS is generally required to withhold 30% of the payment for federal income taxes. If the amount withheld exceeds the amount of tax you owe, which may happen if you do a 60-day rollover, you may request an income tax refund by filing Form 1040NR and attaching your Form 1042-S. See Form W-8BEN for claiming that you are entitled to a reduced rate of withholding under an income tax treaty. For more information, see also IRS Publication 519, U.S. Tax Guide for Aliens, and IRS Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

Other special rules

If your payments for the year are less than $200, SERS is not required to allow you to do a direct rollover and is not required to withhold for federal income taxes. However, you can do a 60-day rollover.

You may have special rollover rights if you recently served in the U.S. Armed Forces. For more information, see IRS Publication 3, Armed Forces’ Tax Guide. You also may have special rollover rights if you were affected by a federally declared disaster (or similar event), or if you received a distribution on account of a disaster. For more information on special rollover rights related to disaster relief, see the IRS website at www.irs.gov.

FOR MORE INFORMATION

You may wish to consult with a professional tax advisor before taking a payment from SERS. Also, you can find more detailed information on the federal tax treatment of payments from employer plans in: IRS Publication 575, Pension and Annuity Income; IRS Publication 590-A, Contributions to Individual Retirement Arrangements (IRAs); and IRS Publication 590-B, Distributions from Individual Retirement Arrangements (IRAs). These publications are available from a local IRS office, on the web at www.irs.gov, or by calling 1-800-TAX-FORM.
DIRECT ROLLOVER DISTRIBUTION

Complete this form only if you want to rollover all or a portion of your lump sum payment to an IRA or eligible retirement plan. If you do not want to rollover any funds, do not complete this form. Carefully review the enclosed Special Tax Notice to understand this option. Any amounts not rolled over will be sent to you.

Complete Sections A & B. Your financial institution must complete Section C. If this information is not completed, payment will be mailed to you and 20% of the taxable amount will be withheld.
