Wraparound HRA
Summary of Benefits

1. **What is the SERS Wraparound HRA?**
   SERS offers a Health Reimbursement Arrangement (HRA). Participants are able to choose insurance from any company offering coverage in the federal Marketplace, and if eligible, receive a federal subsidy to lower premium costs. The SERS Wraparound HRA then provides reimbursements for eligible medical expenses.
   To take part in the SERS Wraparound HRA, eligible participants MUST complete the Marketplace enrollment process through SERS’ plan administrator, HealthSCOPE Benefits.

2. **How do I sign up?**
   Select a health care plan from the federal Marketplace with the assistance of a counselor from HealthSCOPE Benefits. The counselor will help you sign up for the Marketplace plan and tell you whether you are eligible for a federal subsidy to help pay your premium. After you have selected and been enrolled in a Marketplace plan, you will be enrolled in the SERS Wraparound HRA. There is no additional premium for the SERS Wraparound HRA.

3. **What benefits are available under the SERS Wraparound HRA?**
   Reimbursements are capped at $1,800 per family, per calendar year for the following eligible medical expenses:

   *All benefit category costs in the aggregate are subject to the overall total Maximum Amount under this Plan. Such costs can be used in various combinations but shall not, in the aggregate, exceed the Maximum Amount. Reimbursement is limited to cost sharing after the Participant’s Marketplace plan has adjudicated any claim(s). Actual reimbursement may vary according to the Participant’s Marketplace plan’s terms, but will in no event exceed the Participant’s actual out-of-pocket expenses under the applicable Marketplace plan.

   **Reimbursements are limited to $1,800 per family, per calendar year in accordance with federal limits.***

   The SERS Wraparound HRA eligible expenses noted above only apply to covered services under your Marketplace plan. Claims for non-covered services are not eligible for reimbursement.

4. **Who is eligible to participate?**
   SERS benefit recipients and eligible dependents who qualify for SERS health care coverage are eligible for enrollment in the SERS Wraparound HRA after electing coverage in the Marketplace.
   This coverage is NOT available to SERS benefit recipients who:
   - Have previously waived SERS coverage (unless they have a qualifying event);
   - Are eligible for Medicare;
   - Are enrolled in Medicaid; or
   - Have a family member enrolled in a SERS Medicare Advantage plan.

   HealthSCOPE Benefits will rely upon SERS to determine whether a person is eligible for coverage.
5. **When does coverage begin?**
   Your coverage and any dependent coverage under the Marketplace plan begins when you and your dependents have enrolled and paid the monthly premiums directly to your Marketplace insurer. (SERS cannot deduct Marketplace premiums from your monthly benefit payment.)
   
   Your coverage and any dependent coverage under the SERS Wraparound HRA begins when you and your dependents are eligible for SERS coverage and are enrolled in a Marketplace plan. There is no premium for the SERS Wraparound HRA.

   Your SERS Wraparound HRA will end if you:
   - Voluntarily end your Marketplace plan;

8. **What happens when I become eligible for Medicare?**
