## **Foundation-participating Districts: eSERS Now Open for Salary Estimates**

Since you are a Foundation-participating district, now is the time to enter your Salary Estimates for fiscal year 2020. Enter the new amount in the Salary Estimate application on eSERS.

If SERS does not receive an estimate for your district, Employer Services will add 3% to the previous year's estimate.

Please enter an estimate even if you are in the middle of contract negotiations or unsure of what your salary will be for the upcoming year. If your monthly Foundation deductions need to be adjusted later, please contact us, and we will explain how to make a change.

Remember, this is just an estimate.

All Foundation-participating districts have until May 15 to submit a new Salary Estimate.
