INTRODUCTION
The SERS Strategic Planning Project

In 2018, the School Employees Retirement System of Ohio (SERS) initiated the development of a five-year strategic plan to guide the organization’s work. Technological and organizational changes inspired the organization’s leadership to embark upon a strategic planning process that included a broad number of stakeholders. RAMA Consulting (RAMA), a performance management consulting firm in Columbus, Ohio with expertise in evaluation and assessment, strategic planning, leadership development, and cultural competence, was engaged to facilitate the strategic planning process for SERS’ FY2020 – 2024 plan. A highly participative process was designed that included collecting and analyzing survey data, facilitating key informant focus groups, and producing a preliminary report and final strategic plan.

Planning Process Overview

The process was designed to develop a realistic and action-oriented plan for the organization’s sustainability and growth over the next five years. The process is summarized below:

LEARNING PHASE

- Meet with SERS Leadership
- Review Relevant Documents and Research
- Preliminary Engagement of Planning Stakeholders

PLANNING PHASE

- Advocacy Partner Roundtable
- Leadership Team Planning Retreat
- Staff Follow-up/Work Session

DOCUMENTATION PHASE

- Document 5-year Strategic Plan Goals/Priorities
- Design and Present Executive Summary Document

Beyond the primary foci of pension fund sustainability and provision of healthcare benefits, the organization sought to consider ways in which it could strengthen its infrastructure, service delivery, and culture after the implementation of the new pension administration system (SMART). To aid SERS in crafting its strategic vision, the Board, Leadership Team, Staff, and Advocacy Partners participated in a number of interviews, surveys, workshops, and focus groups to define its goals for the next five years and develop actionable strategies to strengthen infrastructure and service delivery in order to increase efficiency and sustainability. Key milestones of the strategic planning process include:

- Environmental Scan: September 2018
- Leadership Team Engagement (interviews and workshops): Late October 2018 - April 2019
- Board Engagement (interviews): November - Early December 2018
- Staff Engagement (survey and focus groups): November 2018, February 2019
- Stakeholder Engagement (survey and focus group): December 2018 - Early January 2019
