Attention Foundation-Participating Districts: eSERS Open for Salary Estimates

Since you are a Foundation-participating district, now is the time to enter your salary estimates for the 2022 fiscal year. Enter the new amount in the Salary Estimate application on eSERS.

If SERS does not receive a salary estimate for your district, Employer Services will add 3% to the previous year's estimate.

Please enter a salary estimate even if you are in the middle of contract negotiations or unsure of what it will be for the upcoming year. If your monthly Foundation deductions need to be adjusted later, please contact us, and we will explain how to make that change.

Remember, this is just an estimate.

All Foundation-participating districts have until May 14, 2021, to submit a new salary estimate.
