A new school year is beginning, and we want to partner with you to educate your employees about both their financial well-being and SERS.

Lunch Break Webinar for New Employees

SERS offers a webinar series called "Lunch Break," a brief educational session followed by a Q&A, where your employees can learn what it means to be a SERS member.

Employees can register for these 30-minute sessions, offered monthly this fall. Each session begins at noon:

Wednesday, August 20

Wednesday, September 17

Wednesday, October 15

Wednesday, November 19

Wednesday, December 17

If they are unable to attend a live session, we also have a recorded webinar available to view at their convenience:

Checklist for Onboarding New Employees

Use the [Employer Checklist](#) as a guide for new employee onboarding.

This helpful resource takes employers through the SERS basics, step-by-step, giving you one less thing to worry about during the onboarding process:

In addition, SERS sends your new employees a “Welcome to SERS” packet 60 days after their enrollment.

Encourage Your New Employees to Register for Account Login

As you may know, [Account Login](#) is our online resource for members to manage their SERS accounts. By creating an account, members can:

- View contributions and account balance
- View service credit
- Update contact information
- Designate beneficiaries
- Send secure messages to SERS

Account Login can be accessed from our homepage:

Reminder About Entering Employee Contact Information in eSERS

Please make sure you are entering each employee's contact information correctly. Be careful if copying and pasting information. For instance, employee Social Security numbers can be inadvertently entered incorrectly on New Member Enrollments in eSERS.

Please verify the information you have entered before submitting a new member enrollment.

If you have any suggestions for future topics that you believe new employees would find helpful, please send your feedback to web@ohsers.org.
