Extend Your Payroll Schedules

With the end of FY2026 approaching, payroll schedules will be reaching their end date and will need to be extended. Please be sure to extend any **active** payroll schedules before their end dates so that you will be able to upload contribution files without any issue.

Remember to only extend payroll schedules that you are using.

Register for the "Getting Ready for Summer" Series webinar on June 3, 2026, where Employer Outreach will walk eSERS Web Users through the process of extending payroll schedules.
