Employer Relations Panel

Volunteers Needed: Your Expertise Matters

Employer Services is seeking volunteers to serve on our Employer Relations Panel as a district representative.

The panel meets twice a year for one and a half to two hours, typically via Zoom, to discuss key topics and potential changes. In previous years, discussions have included topics such as covered compensation changes and the impact of school vouchers.

Your opinion matters! Employer Services relies on the feedback given by employers to improve procedures and training. Your participation provides valuable insight into employer operations, and your input on upcoming changes are considered.

The first Employer Relations Panel will be hosted on Zoom in mid-November.

If you are interested in participating, please contact Employer Services at employerservices@ohsers.org to learn more or volunteer.

We look forward to hearing from you!
